

It's never too late to say 'I'm sorry'  
May 14-15, 2016

*Love means  
you say sorry all the time.*

And yet, the Corinthian church was FULL of sorry.

And because of love, sorry is going to be the right thing to do.

The issues:

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_
- You WERE sinners, but now you have given your Yes to Jesus. So \_\_\_\_\_.
- Rejected \_\_\_\_\_.

What about me? Why sorry?

1. Because you have done wrong against God.
2. Because you will regularly get out of step, out of line, or out of synch with other people.
3. Because you don't know everything.
4. Because most always you have a part — so own it.

"You who are more mature, go first."

YES: Own up, say your sorry, make things right, and move on.

-----  
Is there something that God has His finger on in your life right now?

His kindness is MEANT to lead you to a turnaround.

It's NOT too late.

Write it down:

-----  
So what does a God-made sorry look like?

This is what I call the 3M good news.

3M is all about solutions.

Here's what I call God's 3M solution for life:

- You were Marked by God.
- You are Marred by sin.
- By faith you are reMade through Jesus' life in you.

We need a Godly sorrow that leads to repentance.

2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. ALL IS FORGIVEN.

There is a bright future beyond Sorry.
