

Summer of Love: Love is Required
July 15/16, 2017
Tim Doherty, Groups Pastor

On our streets, in our workplaces and schools, in our kitchens and in our bedrooms, we need love.

But what kind of love do we need?

The love that is required is Love that is:

1. Perfect
2. Unconditional
3. Inviting
4. Particular
5. Reciprocal

What does love look like in real life? (from Romans 12)

Write a phrase or two of your impressions:

In the story of Jesus in Luke 9, what's the message?

- Love each other
- Love other groups
- Love your enemies
- Do it now

The love of God is already at work in you because Jesus did all the work for you, and then placed His Spirit – and His love - in you.

- Come INTO the love of God.
- Keep yourself in the love of God.
- And let love move THROUGH you
