The gig economy has become the new normal. Learn the seven ways that it is affecting your everyday life and faith.

The Lies:

- The Freelance or Gig Economy revolves around self-employed individuals getting paid for their time, skills, possessions, or expertise.
- It is affecting everyone and it is shaping you
- The 7 Lies:
 - You are what you do.
 - You are what you experience.
 - You are who you know.
 - You are what you know.
 - You are what you own.
 - You are who you raise.
 - You are your past.
- *A leech has twin daughters named "Gimme" and "Gimme more."* Proverbs 30:15 (MSG)
- These lies are demanding, relentless, and taxing our souls.
- *Do not be conformed to this age, but be transformed by the renewing of your mind, so that you may discern what is the good, pleasing, and perfect will of God.* Romans 12:2 (CSB)

The False Promise of these Lies:

- When we step forward with active resistance, the lies that have latched onto our souls will begin to lose their grip.
- These lies promise contentment.

What is The Secret of Being Content?

- *I have learned to be content in whatever circumstances I find myself. I know both how to make do with little, and I know how to make do with a lot. In any and all circumstances I have learned the secret of being content—whether well fed or hungry, whether in abundance or in need. I am able to do all things through him who strengthens me.* Philippians 4:11-13 (CSB)
- It's focus.
- Philippians 3:12-14
